Sunsuria City – Monet's Aerial View (Image via Sunsuria)

Sunsuria City offers a broad range of residential developments, from luxurious landed homes to high-rise units, accommodating families of every size. Its collection includes the avant-garde Bell Suites, Monet Garden, Monet Lily, Monet Springtime, The Olive, and down to the affordable Tangerine Suites.

Adding to its exclusivity, it houses a lake-fronting commercial hub – Giverny Walk and a mixed development inspired by the great inventor Alexander Graham Bell – Bell Avenue.

Sunsuria City's Park Evening View (Image via Sunsuria)

For its "livable" aspect, the city features lush recreational parks, dedicated cycling and pedestrian paths, and pockets of water features. Above all, Sunsuria City is built as a self-sustaining Green Building Initiative-compliant township that incorporates energy-efficient features to reduce wastages and preserve the ecosystem.

Xiamen University's Aerial View (Image via Sunsuria)

The township is located within Greater KL, built around the core of Xiamen University Malaysia. Residents can easily commute to Alibaba Digital Hub, Digital Free Trade Zone (DFTZ), Cyberjaya, Putrajaya and Kuala Lumpur International Airport (KLIA) which is all effortlessly accessible by its own integrated connection to the Express Rail Link (ERL).

Sunsuria City, a world-class satellite city designed as an international lifestyle destination – an inspiring township of tomorrow.
